Edanur
MENTEŞ

I was born in Istanbul in 1998. The reason I started painting started in the first school, with school exhibitions. I majored in Graphic Design and photography in high school and graduated in 2012. After that, painting became an area that integrated with me, and so I decided to move on this path in my life. In 2017, I won the Department of painting and business teaching at Marmara University. As the main art, I continued with the graphic design department again. I'm currently attending school as a senior.

Eyüp Efe
İŞİKAN

I was born in Duzce in 1999. My visual arts journey that came into my interest in primary school started with the hobby painting course of Uzunmustafa Primary School. In secondary school, I decided to prepare for Duzce Fine Arts High School talent exams and won the 2nd place. Duzce Fine Arts High School expanded my horizons not only in painting but also in the field of visual arts and added a lot to me. I had the opportunity to participate in various painting competition. I got a degree in Bolu Fine Arts High School's painting contest named "Koroğlu ve Bolu". The more I saw my success at any rate, the more my passion for painting grew. I took the talent exams in the last year of high school. I got into Çanakkale Onsekiz Mart University, Bartın University and Marmara University Art Teaching Departments. I made my choice in favor of Marmara University and I am still continuing my education life as a student in the Department of Art Teaching at Marmara University. I have continued to produce my art on this journey and I am constantly.

Professional experience of more than 13 years in advertising and graphic design has enabled me to reach great experiences and good knowledge of graphics and advertising. I have worked on creative teams on advertising campaigns, branding projects, and graphics design projects. I have participated in and won awards at many design exhibitions around the world in addition to commercial works. I enjoy being challenged and getting engaged with projects as it requires me to think and be creative; thus staying current with emerging concepts and trends is of great significance to me. I work from zero to an end with creativity and speed.

**Yüksel
TOK**

Who is Yüksel TOK?

I was born in Şanlıurfa in 1984.

Although I could not go to the Faculty of Fine Arts, which was my childhood dream, I graduated from Adıyaman University / Associate Degree Architectural Decorative Arts Department in 2008. But I did not give up on my dream. In 2018, I won the Erzurum Atatürk University Faculty of Fine Arts / Graphics Department with the DGS exam. I am now a 4th grade student. I want to improve myself and do good work in this field.
